Chapter 4 – The Greek Experience

- 1) What is included in the region known as *Hellas*?

- 2) Why could no central state become politically dominant in Greece?

- 3) What were the two well documented early Greek civilizations? When did they exist?

- 4) Who owned most Mycenaean land? Who would have worked it?

- 5) In addition to a political unit, what is a *polis*?

- 6) What were the two most prominent locations inside a Greek city?

- 7) What system did the Greek city-states form to increase their power beyond that of any individual city-state?
