Chapter 4 – The Greek Experience

Part IV – The Spread of Hellenism

- 1) How did people encountered by the Greeks in their “third migration” differ from the previous two? Who did they encounter?

- 2) What important feature of older Greek city states did the hellenistic *polis* lack?

- 3) What eastern community came into contact with the Greeks for the first time through the Badria-Greeks?

- 4) In what ways did Egyptian culture continue under the rule of the Ptolemy Dynasty?

- 5) What impact did Alexander's conquests have on the economics of the Hellenistic World?

- 6) How did the prosperity of the Hellenistic period lead to the development of the Silk Road?

- 7) Where was most of the grain for Aegean civilizations grown?

- 8) Why did the Ptolomies object to slave trade and slave labor?

9) Who would work in the mines in Egypt?
